To Whom It May Concern:

I would like to express my sincere thanks and appreciation to Daniel Espeut and Espeut Entertainment for their support of H.E.R.O. for Children. Daniel has been instrumental in helping our organization and supporting children infected with/affected by HIV/AIDS here in Georgia.

Specifically, Daniel and Espeut Entertainment has provided video promotional materials, disc jockeyed numerous events, and interacted with the kids in the H.E.R.O. program. It is great to work with community minded businesses and Daniel has certainly instilled these values throughout his company. Each time H.E.R.O. for Children has partnered with Espeut Entertainment, the work has been extremely professional and his staff has always been enthusiastic and entertaining with all the children in the program.

H.E.R.O. for Children is a non-profit organization dedicated to improving the quality of life of children infected with and affected by HIV/AIDS through enriching programs, unforgettable experiences, and connections with the community. H.E.R.O. has provided more than 18,000 hours of Quality of Life care for more than 250 children through 800 volunteers, and educated more than 6,000 students on college campuses about HIV/AIDS.

Espeut Entertainment has helped our organization succeed and their staff has displayed a genuine compassion for the children infected with/affected by HIV/AIDS in our program. Currently H.E.R.O. is the one and only provider of Quality of Life programming for Children affected by HIV/AIDS in the state of Georgia.
